

If You Find Stray, Injured, or Abandoned Domestic Animals or Wildlife

The following towns have a contract with the *Monmouth County SPCA.*

What does this mean?

- During regular business hours, stray domestic animals found in these areas should be brought to the MCSPCA for medical treatment and housing.
- During regular business hours, Injured or abandoned wildlife found in these areas should be brought to the MCSPCA for medical stabilization. Thanks to a transportation network that is already in place, these animals will then be transferred to a rehabber for advanced care.
